

## Why be a Mission and Service Volunteer?

### True Believer

You've been contributing money, time, or both to Mission and Service for years. You've seen the good work it does, and you want to help do more of it.

### Community Spirit

You're already involved in your community of faith or your local community—or maybe you want to find a way to be more involved.

### Super Sleuth

You know there are more people out there who want to support Mission and Service, and you've been looking for a way to find them.

### A Little or a Lot

You really want to dig into a big project, and you have the time to do it—or you're super busy, but you can spare a few minutes for Mission and Service.

## Mission and Service

***“Mission and Service is the way we as a United Church witness to God’s love.”***

—Islington United Church

## Give it a Try!

Whether you’re already presenting a Mission and Service story every Sunday, or you’ve never even thought about speaking in public...

Whether you look at Facebook on your phone every once in a while, or you’ve had your own blog since 2009...

Whether you take pictures every single day, or you haven’t touched a camera since your Instamatic broke...

Whether you have some great ideas you’d love to share, or you want us to share our ideas with you...

Whether your handwriting looks like calligraphy or more like chicken scratch...

***You can support the life-changing work of Mission and Service by becoming a Mission and Service volunteer.***

**What do *you* feel called to do?  
There’s a place for you!**

## What do volunteers do?

Mission and Service volunteers play a vital role in promoting and supporting Mission and Service and Gifts with Vision in their communities of faith and elsewhere in Canada.

### Mission and Service Stories

Volunteers can share the weekly Mission and Service story during church service, in the church bulletin, or on the website.

### Keeping in Touch

Volunteers can help us keep the lines of communication open by sending handwritten thank-you notes to donors.

### Lights, Camera, Action

Volunteers can use their phones to take photos or videos of Mission and Service activities in their community, to be shared with the wider church.

### Ear to the Ground

Volunteers can bring suggestions about Mission and Service from their local community to the General Council Office. Who knows where the next great idea will come from?

## What do volunteers do?

**All these things,  
plus much, much more!**
