“An incredible 10 days – life changing!
We met people living in the midst of
immense struggle yet they were
engaged in life-giving work. People
trusted us and told their stories. We
saw signs of hope and courage. It was
inspiring to see creative and innovative
responses to the restrictions of the
occupation. The Palestinian people
we met showed such spirit and refused
to be victims.”

Led by **Rev. Marianna Harris** and
George Bartlett, (former Ecumenical
Accompanier).

Meet United Church partners,
Jewish, Muslim and Christian people
who are working non-violently for
peace, justice and human rights.
