# WHERE IT BEGAN...

## AUDACIOUS HOPE: A NEW JOINT GATHERING FOR YOUTH AND YOUNG ADULTS

In 2024, The Presbyterian Church in Canada (PCC) and The United Church of Canada (UCC) came together for the first time to host a groundbreaking joint event for youth, young adults, and their leaders under the inspiring theme Audacious Hope. This partnership was born from the rich traditions of PCC's Canada Youth and UCC's Rendez-Vous events, uniting two vibrant communities in a shared vision for the future.

Rooted in the realities of a post-pandemic church and a deep desire for ecumenical relationships, this collaboration reflects a commitment to connection, renewal, and bold faith. The event offered an engaging mix of worship, small groups, recreation, keynote speakers, and delicious meals, creating space for meaningful conversation and authentic community. Participants experienced moments of joy, reflection, and spiritual growth, celebrating what it means to live with audacious hope in today's world.

Together, these churches opened a new chapter—one where Christian youth, young adults, and their leaders from across Canada gather not only to learn and grow but to dream boldly for the future of the church.

# STREAMS

## YOUTH STREAM

High schoolers will discover a space intentionally crafted for them—a vibrant environment that celebrates their unique voice, energy, and role in both the church and the wider world. This isn't just an event; it's a community where teens can feel seen, heard, and valued. Through a dynamic mix of engaging activities, thought-provoking discussions, and creative expressions of faith, participants will explore what it means to live with hope and courage in today's world.

### Why (em)brace for impact?

We live in a time of great change, challenge, and stress; it feels as if we live our lives bracing, or braced for impact. When will the next punch, kick, crash hit us and where will it come from? The Collective team wants to recognize the stress that young people are experiencing, yet we also want to help them find creative and supportive ways to deal with the world. One way to deal with challenge is to gather a supportive group – to embrace each other, hold each other in care and authenticity. And so, we (em)brace one another. We also want to feel that we can create positive change in our lives and in our world – we want to leave an impact. And so, we (em)brace for impact.

We do all this only as we recognize that our Creating God breaks into our lives and into the world. We do this as we follow in the way of Jesus, who collected and embraced friends, followers, and even foes to create change and challenge systems of evil and destruction. We do this as we trust in the Holy Spirit to bring us comfort, courage, and power to make a difference in Christ's name.

## YOUNG ADULT STREAM

A space to be fully yourself – Young Adults will step into an environment that honours their individuality and celebrates their potential. This is more than a gathering—it's a transformative experience where participants can explore the current societal context, wrestle with big ideas, and discover what bold leadership looks like in both the church and the world. These young adults will be equipped and empowered to (em)brace for impact with confidence and creativity.

## LEADERSHIP STREAM

This dedicated stream equips youth leaders—whether clergy or lay, paid or volunteer, full-time or part-time—who are passionate about guiding young people in faith and life. It's a space for learning, renewal, and practical experience. Leaders will grow through a combination of discipleship group sessions featuring inspiring speakers and hands-on leadership opportunities that put theory into practice. Participants won't just listen—they'll lead!

## WHAT IF I'M FEELING A LITTLE NERVOUS ABOUT ATTENDING THIS EVENT?

You might be the only one from your congregation attending the Youth Stream but you are going to meet other young people really quickly. Plus, you'll be introduced to Conference Leadership as soon as you arrive at Collective and they will be able to help you get acquainted and settled into the Collective community. You will be part of a Discipleship Group (your small group) with other folx from across the country and will meet with them every day. You'll worship with hundreds of new friends and have lots of opportunities for fun recreation events and interesting workshops.

## CAN MY FRIEND COME IF THEY'RE NOT PRESBYTERIAN OR UNITED?

As a ministry of The Presbyterian Church in Canada and United Church, most Collective participants will be from congregations of the PCC and UCC. We have some guests from other churches who participate in shared youth groups or who are in partner ministries. Occasionally, participants invite friends or family from other traditions and that's good with us. God welcomes all and so do we!

## WILL MY YOUTH LEADER BE THE ONLY ONE WATCHING OUT FOR ME AT COLLECTIVE?

Whether your youth leader from home is at the event or you've come on your own or you're a young adult, a skilled Community Life team is recruited and will be available throughout Collective 2026. This team is responsible for the safety and well-being of all participants and includes adults in the Youth Leader Stream, Mentors, Crisis Counsellors, and Health Centre staff. Each team member will provide a Vulnerable Sector Screening, has been trained in Leading with Care/Duty of Care, and focused on meeting folx where they are at during Collective 2026.

## IS WORSHIP IS BORING? IS WORSHIP A ROCK CONCERT?

Worship at Collective is a dynamic response to God's love, goodness, and continued work in our lives. Worship at Collective is interactive and engages all the senses. Worship at Collective is diverse and uses all kinds of different music, words of worship, and long-held rituals. Worship at Collective is filled with moments of enthusiasm as well as moments of contemplation and reflection. All the elements of worship experienced at Collective can be used in any home congregation.

## IT'S OKAY FOR ME TO LEAVE COLLECTIVE DURING THE WEEK TO...

- Visit a friend in St. Catharines
- Visit Niagara Falls
- Shop at the outlet malls
- To catch an early flight home

### Well...not really....

Collective is the full-meal-deal. It has a beginning, a middle and an end that are all important. There is an hour of open space each afternoon, where folx can go offsite nearby, but need to connect with Conference Leadership beforehand, so we know who is onsite and who is not. Should you need to leave for an extended time during the event, please contact a Collective 2026 Coordinator.

# WORSHIP, WORKSHOPS & RECREATION

**Collective 2026** worship invites participants into a powerful journey of hope, courage, and transformation. Rooted in the stories of Jesus and his followers after the resurrection, these gatherings explore what it means to (em)brace for impact in a world marked by division, mistrust, and individualism.

Each worship experience is shaped by storytelling, dynamic messages from the Rev. Shalini Rajack-Sankarlal and the Rev. Jeffrey Dawn, and a rich tapestry of music, art, and creative expression. Through diverse voices and vibrant forms of worship, participants will encounter the depth of resurrection hope and the call to embrace God's mission with audacity and grace.

This series is not just about listening—it's about engaging. Worshippers will be invited into moments of reflection, celebration, and community, discovering together how the post-resurrection stories speak into our lives today. With every song, prayer, and shared story, Collective 2026 becomes a space to (em)brace impact—to live as people of resurrection in a world longing for hope.

## SOME DEFINITIONS

### DISCIPLESHIP GROUPS

A special time set aside for youth, young adults, and youth leaders to make connections with others in their Stream from across the country. ### YOUTH STREAM RESIDENCE GROUPS

These are geographically-based housing groups that check in with their residence floor Youth Leader each night to confirm everyone has returned safely. Youth are welcome to gather in their floor lounge to share reflections on their day, relax in the lounge to play games, go to bed, or simply spend time together. It's also a chance to meet new people from your area and build connections to take home. Quiet hours begin at midnight every night.

### RECREATION

Recreation bookends each day of the event. It includes everything from big games and community building activities to dance parties and crafts to board games and beyond! Energizers are a much-loved daily tradition, blending popular music and simple movements that everyone can enjoy; whether they sway in the crowd watching, follow the adapted moves, or giving it one's all. – there is something for everyone.

# DISCIPLESHIP GROUP LEADER: **HELPING YOUTH & YOUNG ADULTS GROW IN FAITH**

## **DISCIPLESHIP GROUPS: GROWING TOGETHER IN FAITH**

Discipleship Groups are the heart of this event—a space for deep conversation, shared learning, and genuine community. Participants will be placed in groups by Stream, creating opportunities to explore the many themes of (em)brace for impact through the lens of Jesus' life, relationships, and ministry. These groups are intentionally designed to mix people geographically and denominationally, reflecting the richness and diversity of the church across Canada.

In these gatherings, participants will dive into scripture and engage with big questions through discussion, reflection, play, and creative expression. Each group will experience a variety of approaches—storytelling, art, prayer, and more—making space for voices to be heard and ideas to be shared. It's not just about learning from leaders; it's about learning from one another, discovering how faith comes alive in conversation and community.

## **CALLED TO LEAD? JOIN US AS A DISCIPLESHIP GROUP LEADER!**

Do you feel a nudge to guide others in faith and conversation? If so, we invite you to apply to lead a Discipleship Group at Collective 2026! This is a unique opportunity to walk alongside youth or young adults as they explore the theme (em)brace for impact, rooted in the life and ministry of Jesus. As a leader, you'll do more than facilitate discussion—you'll help create spaces where faith comes alive through scripture, reflection, creative expression, and authentic conversation. Leaders will be placed in groups by stream and will experience the richness of diverse voices from across Canada. To prepare you for this role, we'll gather online in spring 2026 for a pre-event session to connect, share, and equip you for the journey ahead. You'll receive the curriculum in advance and participate in onsite training before the event begins. This ensures you feel confident and supported as you lead. If you're ready to embrace this calling, fill out the application below and reach out to your denominational lead via the email listed on the form. We can't wait to see you at Collective 2026—where leaders like you help others (em)brace for impact!
