

Addressing Global Hunger

Everyone should have enough to eat, no matter where they live. Unfortunately, climate change, conflict, and growing inequality around the world means that the most vulnerable people don't have enough food.

Prayer for Food Security

Creator,
Conspire with us
to create a world where all have access to nutritious
and sustainable food sources,
and none live with scarcity or food insecurity.

Redeemer,
Save us from oppressive and unjust systems.
Mobilize us to be a part of a world response
that works in partnership with those of good will
to foster equitable resource sharing.

Sustainer,
Cultivate our resilience and expand our imaginations,
so that we might continually find new ways
to answer the call to end hunger—
until all may flourish.

Amen.
